Tornado warnings are always a possibility during school hours this time of year. When a funnel cloud has been sighted in the area, a tornado warning goes into effect and it is unsafe for anyone to be outdoors or in a vehicle. All Fairview students, faculty and staff will take shelter on the ground floor. No students will be released nor will the staff be able to answer telephone calls during a tornado warning. This policy helps to ensure the safety of all students, staff, parents and visitors. Thank you for your cooperation.

THINK SKILL OF THE WEEK
“Making Positive Self-Statements”
ASK YOUR CHILD IF THEY KNOW THE STEPS:

1. Stop and listen to what you are saying or thinking.
2. Think or say to yourself, “Is this a positive statement?”
3. Instead of saying or thinking “I can’t,” say or think “I can...” or “I will...”

It’s test season! Please ensure that your child is well-rested, present and on time so they can do their very best!

MCCSC Early Learning registration for this year is still open. Including the new MCCSC Early Learning Center! Please visit www.MCCSC.edu/EarlyLearning to register or find out more about tuition, calendar, curriculum, and registration for all of the MCCSC early learning options for children ages 6-weeks through 4 years old.
