It is the time of year when school delays and cancellations are necessary to help safeguard the well being of our students during severe weather. Also, you can view MCCSC website for delay and closing information. Decisions are typically made regarding delays and closings in the morning prior to the start of the school day. Students do not have access to the building until 15 minutes before school start time (i.e. if there is a two hour delay, children may come into the building at 10:45am).
