DR. REYNOLDS’ ARTIST’S CORNER
This week, we feature creations by two of Mrs. Boller’s 2nd Graders – Robin Countrymansfield and Opal Nace-Meyer.

FUN FACT
Reindeer and caribou are the same animal (*Rangifer tarandus*) and are a member of the deer family. In Europe, they are called reindeer. In North America, the animals are called caribou if they are wild and reindeer if they are domesticated. Reindeer are the only deer species to be widely domesticated. They are used as beasts of burden and farmed for their milk, meat, and hides.

School Picture Retakes Day will be Tuesday, December 7th!
