- 4th - Fred Alexander and Brandon Kincade
- 5th - Casey Lefler and Kason Strole
- 6th - Aralyn Olivo and Tressa Martinie-Eiler

**THINK SKILL OF THE WEEK!**
“Hands, Body and Feet to Self”
Ask your children if they know the steps:
1) Check to make sure my hands, feet, and body are in my area
2) Stay calm
3) Watch for people and objects around me
4) Respect other people’s personal bubble
5) Use kind words to tell others how I think and feel

From Our Administrators Desk
We had the privilege to attend the 4th grade Maker Challenge Showcase on Wednesday night at Bloomington South High School. 4th grade students from all across the district designed their own “dream machines” to compete for Most Creative, Greatest Potential Use by Others, Best Story Behind the Design, and Best Overall Idea/Prototype/Story. We are pleased to announce that two of our 4th grade projects were chosen as the top designs in the entire district for the categories of Most Creative and Greatest Potential Use by Others!
Congratulations to Mr. Peterson’s students Car’Reanna Isabell, Briley Sissman, and Mone White for their Peppermint Snowman and congratulations to Mrs. Gross’s students Lodyn Foster, Atley Ritter, and Brock Withrow for their Dog Distractor. Both of these projects will now be designed by students at Hoosier Hills and IU. We know that all of the fourth grade students worked very hard to design their best projects and we are so proud of their efforts!

Help! Our “Lost and Found” is overflowing. Please have your child check the box in the office if they are missing items. Please label your child’s belongings with a permanent marker so that they can be promptly returned. A non-permanent option is to use cloth tape to label items.
**DR. REYNOLDS’ ARTIST’S CORNER**

Kindergarteners created sets and stick puppets!

**IMPORTANT! COVID CONTACT TRACING INFORMATION!**

The MCCSC Covid Contract Tracing Department asks for your patience as they manage an increase in volume. Here are some critical reminders about the covid protocols:

- The Call Center number is 812-349-4757.
- E-mail is preferred as follows:
  - For positive cases: Contact_Tracing@mccsc.edu
  - For close contact/exposure: Close_contact@mccsc.edu

When emailing either of these accounts, please include student’s name and parent telephone number along with any pertinent information. Your notifications either by phone or e-mail will be put into a cue to be answered by a contract tracer. When calling the contact tracing offices, please be sure to leave a voicemail if unable to reach a live person.

**Do not send an ill, close contact, exposed or positive test student to school until cleared by contact tracers!**

---

**FUN FACT**

Nathan Chen is a favorite to win a Gold Medal at the upcoming Beijing Olympics. He is a 3-time Figure Skating World Champion and a 6-time U.S. champion. He was born in Salt Lake City, Utah. His parents came to America from China. In addition to being a world class athlete, he is an accomplished classical pianist and a student at Yale University!
