Kindergarteners and 4<sup>th</sup> graders saw stories come to life with dance and music. This community collaboration, “Bullies to Buddies” connected Jacobs ballet dancers, composers, and musicians with 4<sup>th</sup> grade writers from Mr. Duncan's 4<sup>th</sup> Grade Class. The dancers and composers took the 4<sup>th</sup> grade tales about friendship and set them to music and dance.

**THINK SKILL OF THE WEEK!**

“Getting the Teacher’s Attention”

Ask your children if they know the steps:

1. Look at the teacher
2. Raise your hand and stay calm
3. Wait until the teacher says your name
4. Ask your question.

**From Our Administrators Desk**

Dear Parents/Guardians,

Each year, our 3<sup>rd</sup>-6<sup>th</sup> grade students participate in standardized testing. The state of Indiana calls the assessment ILEARN. The assessment takes students multiple days to complete, and assesses students in the areas of English/Language Arts, Math, Science, and Social Studies depending on their grade level. The window opens for testing on Monday, April 18th. We have until Friday, May 13th to complete all assessments. To best support our students, the following schedule will be used:

- **Week of April 18<sup>th</sup>** - 6<sup>th</sup> grade students will take ILEARN
- **Week of April 25<sup>th</sup>** - 4<sup>th</sup> grade students will take ILEARN
- **May 4<sup>th</sup>** through May 11<sup>th</sup> - 3<sup>rd</sup> + 5<sup>th</sup> grade students will take ILEARN

It is important that all students are at school to complete the testing. We also want to remind you that all students need to be well-rested each night and be arriving at school on time. These things will allow students to be able to perform to the best of their abilities.

Thank you for your support!

Mr. Gobert and Mrs. Pearson

**Important Reminder!**

Please call the office (812-330-7732) before 2:00pm when you need to change your child’s end-of-day transportation plans. The student could be anywhere in the building or on the playground, so adequate time is needed to contact all appropriate parties of the change.

Please call the office even if you have sent a note, e-mailed, or texted the teacher or a staff member. The teacher or staff member may not be present or may have had to leave school unexpectedly so your child could be misdirected. Please keep in mind that we must receive the change info from an adult listed on the child’s emergency contacts. We cannot take the direction or honor requests from a child.

Thank you for your cooperation!

Fun Fact
A flute carved out of a cave bear bone was found in a cave in Slovenia in 1995. It is thought to date back at least 50,000 years and to have been made by Neanderthals, making it the oldest known musical instrument in the world.
