

Grandview P.A.W.S. Cart

You may have heard about *Tiger Tickets* and the *P.A.W.S. cart* from your child(ren) in the last couple of weeks. These are part of a new incentive here at Grandview to continue to encourage and reward students who are following the school wide expectations of **Problem Solving, Acting Safely, Working Together, and Showing Respect**.

Students are able to purchase prizes from the P.A.W.S. cart using Tiger Tickets they have earned throughout the school day. Prizes on the cart range from small trinkets to snacks and school supplies. Prices range greatly. Some students may shop each week and some may choose to save up for larger prizes. Some teachers are also offering classroom incentives that can be purchased with Tiger Tickets.

How do students earn Tiger Tickets?

- Students can earn blue Tiger Tickets at any time throughout the day! All it takes is a teacher or staff member noticing that they are Problem Solving, Acting Safely, Working Together or Showing Respect in what they are doing.

Attendance

- Students can also earn a special golden Tiger Ticket when they have perfect attendance for the week. This includes students who have not been absent or tardy and have not left school early during the week.
- The golden Tiger Ticket is worth **5 tickets!**
