Phase Red Information

MCCSC will move to Phase Red on Wednesday, December 9. This means all instruction will be virtual every day of the week. *

Phase Red will not look like it did at the beginning of the year. We will keep our current schedule with only slight modifications. Classes will be live-streamed most days. Other days, students will work asynchronously (complete assignments posted in Canvas). Students should log in to Canvas, go to each class, and complete the daily assignment. We ask that students make sure they are up and dressed appropriately for their classes. Teachers will ask for videos to be turned on at various points throughout the class.

Attendance will be taken based on participation in the class. Students will be expected to attend live sessions or complete the assigned class activity within 24 hours to be considered present.

We will miss having students in the building, but recognize this is for the safety of all. Please reach out if you have any questions or concerns.

7th Grade Team
Aaron Ritter, Assistant Principal & Athletic Director aritter@mccsc.edu
Kami Hyde, Counselor khyde@mccsc.edu

8th Grade Team
Mathew Worland, Assistant Principal mworland@mccsc.edu
Ashley Howell, Counselor ahowell@mccsc.edu

Morgan Terry, School Social Worker mterry@mccsc.edu

*Community-based information will be sent home with students and emailed to parents.

Tips to Success Online
Create a space to study.
Stick to a routine.
Set alarms.
Attend Class!
Do your work.
Communicate with your teachers.
Take mental and physical breaks.
