2. You'll create an account using your personal email address.
3. When you register, you'll also be asked to provide a **student pairing code** so you may observe your child's Canvas account. **Note: Students *cannot* get the code via the Canvas app; the browser version is required.**
4. An email will be sent to your personal email address, prompting you to log-in for the first time and view your student's information.
