
Hello parents and families!
As you may have noticed, we have been outside a lot lately. This is because we are into week 2 of our nature unit—Nature, Nature Everywhere! Themes in this unit include: Tall, Tall Trees; Who likes plants?; Friendly, Furry Friends and a few more! All of your children also now have a nature notebook for recording all of the cool things we see outside. This unit has been really fun thus far and I can’t wait to see what the kids do next!

Please make sure to look out for our white sign that says we’re outside. If we’re on the back playground, you may drive your car down to the lower parking lot instead of walking down the steps. Also, the weather has been wonderful but as it cools down please make sure your children have appropriate clothing. We will be outside most days unless it’s raining. Thank you all for continuing to keep this program a success!

Best,
Erin Morris, SAC

*Important Fall Carnival Information*

- The PTO Fall Carnival is Friday, October 4th. We will either be outside or in the downstairs science lab (next to the elevators) in event of bad weather. If we have to be indoors—we will do a G-rated movie and popcorn. Feel free to bring a favorite movie! Be sure to stay and check out the carnival after pickup :)

Fall Party

We will be having our Extended Day Fall Party on Friday, November 1st. We will provide healthy snacks, games and a short movie. Gerard and I will be dressing up and we would like to invite everyone to do the same! This will be a fun time to relax and celebrate :)

*Please note—children will not be able to wear their costumes to class so be sure to pack extra clothes

Happy Fall!

Jennifer from Ivy Tech

Friendly Reminders:
- Friday, October 4: Fall Carnival
- October 7: Picture Day
- October 11-14: MCCSC Fall Break NO EXTENDED DAY
- November 1: Fall Party
