### Purpose:
The student will name letters.

### Description:
Incremental Rehearsal

### Materials:
1. List of letters that need to be practiced.

### Procedure/Steps:
1. Teacher presents the first letter to the student.
2. Teacher says “This letter is ___. What letter?”
3. Student names the letter.
4. Teacher names another letter. Repeat procedure. Teacher presents 1-5 letters. Remove letters from the known stack after all 5 letters have been mastered.
5. Error correction procedure: If the student gives an incorrect answer, the teacher responds with “That letter is ___. What letter?” Student names the letter. Teacher says “Yes, ___.” Continue in the procedure where you left off.

### Evaluation of Effectiveness:
Compare AIMSweb Letter Naming Fluency data before and after the intervention.
