Dear Parents and Guardians:

Welcome to the opening of what promises to be a wonderful school year! At this time of the year, there is great anticipation of what is to come, and I am as excited as the Grandview teachers, children, and parents.

Together, teachers, students, and parents/guardians make a strong Grandview family. We appreciate your support as your child enters the classroom, learns, and grows through the year. Let’s all commit to having a good school year, setting students, as well as teachers, up for success.

A few things to make our year go more smoothly – first, please help us to be good neighbors. The traffic flow around the front of the school is counter clockwise; the passenger door always opens to the curb for safety reasons. Make sure to park legally (not on any RED curbs). Another way to help our year go smoothly is to check out Grandview’s website. It’s been updated and has information you need to keep on top of what’s happening at school. Check it out! And finally, school begins at 8:35 a.m. You set your child up for success by getting him/her to school on time, ready to learn. As always doors open at 8:20 a.m. Don’t forget we have late start Wednesdays. Wednesday start time is 9:35 a.m. with doors opening at 9:20 a.m.

Throughout the year I look forward to meeting the new members of our community and connecting with returning community members. I encourage families to get to know each other so that we can build new friendships and support each other as the need arises. You will have a great opportunity to meet new people at our first PTO meeting being held on Tuesday, August 11th at 5:30 in the cafeteria. We look forward to everybody being a part of our wonderful PTO. I want to say a huge thank you to our PTO, especially Julia Broadstreet, her family, the Manning Family and Tammi Kunz who have been working extremely hard at landscaping our parking lots and cleaning up our memorial garden. We still have some more things to do. Anyone who would be willing to bring a shovel and spread some mulch and pea gravel please join us this Saturday, August 1st from 8:15 a.m. - 11:00 a.m.

We are ready to begin the 2015-2016 school year. The teachers have put in a lot of time and energy getting ready for the year. I have been impressed to see the dedication of our staff, preparing all summer for the school year. At Grandview, the staff, faculty, and administration are honored that you entrust us with your precious ones. The hours that your children are with us each day are so important. Here’s to a great school year!

Sincerely,

Lisa Roberts
Principal
