Late Start, Early Release and Cold Weather Plans:

Please make a plan with your student for potential late start, early release, and cold weather days. Please make sure your student is dressed appropriately for the weather, and they know their plan should it be a late start or early release day.

Also, please make sure your student is dressed appropriately for outside recess.

Peaceful Playground Story in Herald Times:

Marlin Elementary had a story covering our Peaceful Playground in the Herald Times! Please take a moment to read it at:

Early Drop Off:

Please make sure you do not drop your students off before 8:20 on M/T/Th/F and 9:20 Wednesday. Students are unsupervised and not allowed in the building before this time.

Also, please make sure students are dropped off by 8:35 on M/T/Th/F and 9:35 Wednesday. If students arrive later than 8:35 on M/T/Th/F and 9:35 on Wednesday, they will need to report to the office and be counted tardy.

Ready – Set – Grow Pre-School Survey:

Ready Set Grow is a fee-based preschool program that is offered to 3-5 year olds in Monroe County. With programs in six elementary schools, we strive to promote kindergarten readiness as well as developing a love of learning. We are currently looking to expand our locations to better serve the needs of the community. Please follow this link to take a brief survey that will be helpful as we move forward with growing our program. Please feel free to contact the School Age Care Office for additional information. Anti-Bullying Programs and Interventions:

Please find attached an informational brochure that outlines some of our anti-bullying programs and interventions.

Conferences:

As a reminder to our existing parents and information to our new parents, please feel free to contact your classroom teacher at any point throughout the year if you would like a conference with your student’s teacher. We are here to work closely with you.

Lunch with the Principal:

Our next Lunch with the Principal will be Friday, January 30th.

We are continuing our student recognition program called "Lunch with the Principal" the last Friday of each month. A nomination for lunch with Mr. McGinnis is based on consistent high achievement or month long improvement in the area of academics or behavior. Mr. McGinnis will provide awards, pizza, side items and drinks for all students. This is another program to acknowledge and award student success.

Field Trips and Volunteers:

If you plan on volunteering or chaperoning, please make sure you have a current background check on file with the office. We have several field trips coming up, and I wanted to give a friendly reminder.
