International Baccalaureate IB
Templeton continues its work towards becoming an accredited International Baccalaureate school. Teachers are working on their Units of Inquiry, students are inquiring and seeking ownership of their learning, the school is working on enhancing our understanding and appearance of our chosen Spanish culture and we are working on the IB Learner Profile. We have worked on the profiles of Learners, Communicators and Inquirer. We are now learning about being Open Minded. Ask your student about these important pieces of the IB Learner Profile. Hispanic Heritage Month is September 15—October 15. We will be studying this month school wide as it is a part of our IB culture of Spanish.
Mr. Badger has also started is work as our Spanish teacher. He will be teaching culture, language and customs to our Tigers.

Important Items You Need to Know:

- Please remember that ALL Wednesday’s for the 2014-2015 school year are late start days. Students will board the buses 1 hour later than usual. The student day begins 1 hour later with the tardy bell at 9:35 am.
- No dismissal changes will be taken over the phone unless it is an emergency. In case of an emergency you will need to contact the front office. However, requests must be made by e-mail or faxing a letter. We will follow up with you that your request has been received by a phone call. Thank you for your understanding!
Welcome to Templeton

Tyler Ness is a first grade teacher at Templeton. Mrs. Ness comes to us from Fairview Elementary. There she taught third grade for two years. Prior to MCCSC, Tyler worked at The Project School and The Boys and Girls Club. She is originally from Salem, Indiana where she grew up on a large family farm. She received her degree in Elementary Education from Indiana University here in Bloomington. Mrs. Ness is married to her husband, Jeremy, and they have one dog together named Willow. She and her family own a local bakery, Baked! Of Bloomington. At the bakery, her husband makes and bakes cookies all day long. Occasionally, cookies make their way to Templeton, too.

Absences and tardies are things that can greatly impact a student’s education. At Templeton, we work very hard to utilize every minute of every day to give students amazing opportunities. Tardies occur if a student arrives at school after 8:35 a.m. If a student is late they must sign in at the office. Absences can be excused or unexcused or if a student leaves before 3:45 p.m. For an excused absence we ask that you call our attendance line to report the absence. If a student has a 100+ fever, is contagious or has a doctor’s note we want them to stay at home to rest. After students have accrued five absences notes will be sent home from our social workers. If absences begin impacting a student’s education and/or a student accrues 10 or more unexcused absences the Department of Child Services could be asked to help. Attendance is important and we look forward to seeing our Tigers everyday.
