International Baccalaureate (IB)
Templeton continues its work towards becoming an accredited International Baccalaureate school. Teachers are working on their Units of Inquiry, students are inquiring and seeking ownership of their learning, the school is working on enhancing our understanding and appearance of our chosen Spanish culture and we are working on the IB Learner Profile. We have worked on the profiles of Learners, Communicators, Open Mindedness, Thinkers and Inquirer. We are now learning about being Knowledgeable. Ask your student about these important pieces of the IB Learner Profile.

Report Cards
Report cards are going home today. Please check your student’s take home folder. The report card does look different this year. If you attended the parent report card meeting you will remember there is a progress note now that compares a students EL level to where they should be at this time of year instead of the end of the year when they should be at a 3 for mastery. There is also a video that is linked to the Templeton homepage that has this information. If you have any questions do not hesitate to contact your child’s teacher and set up a parent-

Absences and tardies are things that can greatly impact a student’s education. At Templeton, we work very hard to utilize every minute of every day to give students amazing opportunities. Tardies occur if a student arrives at school after 8:35 a.m. If a student is late they must sign in at the office. Absences can be excused or unexcused or if a student leaves before 3:45 p.m. For an excused absence we ask that you call our attendance line to report the absence. If a student has a 100 + fever, is contagious or has a doctor’s note we want them to stay at home to rest. After students have accrued five absences notes will be sent home from our social workers. If absences begin impacting a student’s education and/or a student accrues 10 or more unexcused absences the Department of Child Services could be asked to help. Attendance is important and we look forward to seeing our Tigers everyday.
