Drop off and pick up

With our new arrival and dismissal times, it is imperative that everyone follows the drop off and pick up procedures. Buses will not be allowed to drop students off until 8:45 am. Drop off on Wednesdays is at 8:50 a.m. We want to make sure we keep students and families safe distances from buses and cars. This is also important at dismissal, where the buses will be arriving at dismissal. While we know some procedures are inconvenient for certain folks, but our goal is to make sure every student is safe.

Harvest Parties and Vocabulary Day

On October 31st, many classrooms will be participating in Harvest Parties and Vocabulary Day. For Vocabulary Day, if your classroom is participating, students may dress up to represent their favorite vocabulary word. Please add a label to their costume. We hope to have a Vocabulary Day parade for our preschoolers as well. If your classroom is participating in a harvest Day celebration please check with your classroom teacher on what allergies might be in the room and what is needed if you would like to help.

End of First Nine Weeks

The end of the first nine weeks is Friday, October 7th. It is hard to believe a quarter of the school year is already over. The students have been working hard learning many concepts.. With that the first grades of the year will be coming out. Report cards will be coming home on Friday, October 21st. We will use the same report card as last year with a few tweaks to hopefully make it easier to communicate with your child. If you should have any questions about grades or your students progress please contact your classroom teacher for a conference. This is a great way to set up a partnership that will benefit your student for the entire school year.

Inquirers

Inquirers strive to develop their natural curiosity. How can our Tigers become better inquirers? Ask them what they think about items outside, what are they seeing as you go places and what interests them and why? Inquiring allows our Tigers to take ownership of their learning and hobbies. If your student is doing inquiry with you or on their own at home have them draw a picture of their inquiry or write a small summary and have them bring it to Mr. Carver for a prize. We had one prize winner last week and are looking for more! Congratulations to Sandy Shanahan for being our first inquirer!
