Multi-Age Classrooms K-6, K-4
Supplies we can really use:
- Mug—many children left these in the room-breakable mugs do break occasionally!
- Pencils (100?) This is something we always run out of. We love Ticonderoga-ask the kids—this is a brand that does make a difference.
- Markers (non-scented)
- Tissues
- 3 or more composition notebooks
- 3 spiral notebooks (the non-perforated pages are better because the perforated sheets fall out)
- Post-It notes
- Notebook paper-wide ruled

Healthy snacks will be needed on a monthly basis. If you would like to pick some up early, each class will need enough to feed 22 students. Examples of good choices are: pretzels, microwave popcorn, cheese crackers and animal crackers.

****One notebook sized backpack that can hold a three ring binder, a jacket and a change of clothing. Please DO label this one item clearly with your child’s first name and last initial. DO NOT send in the small mini packs or any backpack with wheels. ****

**This list is designed to support your child’s growth, not to stress you out on a shopping trip. If there are items you cannot find or afford, that’s fine. We always have plenty to share with everyone.
