Drop off and pick up

With our new arrival and dismissal times, it is imperative that everyone follows the drop off and pick up procedures. Buses will not be allowed to drop students off until 8:45 am. Drop off on Wednesdays is at 8:50 a.m. We want to make sure we keep students and families safe distances from buses and cars. This is also important at dismissal, where the buses will be arriving at dismissal. While we know some procedures are inconvenient for certain folks, but our goal is to make sure every student is safe.

Spanish

As part of our International Baccalaureate curriculum, every student kindergarten through 6th grade goes to Spanish class twice a week. Ms. Arrate Lopez de Eguilaz is our Spanish teacher. She joins Templeton from Indianapolis Public Schools where she taught in a immersion elementary school. There students received all of their instruction in Spanish and English. We are very excited to have Senora Lopez de Eguilaz, who is a native of Spain, as a part of our staff. In Spanish this year she is working on Spanish language and culture. The older the grade level, the more in depth the curriculum is for the students. She is encouraging students to get to know the cultures and celebrations.

This coming Saturday is an excellent opportunity to experience Hispanic culture with your student and enhance their learning. From 10 am - 1 pm, at the Showers Plaza, during the Bloomington Farmers' Market, the Fiesta del Otoño will be celebrated. If you want to experience some Hispanic music, dance, food, crafts and displays, this is the place to be! Both of Bloomington's sister cities, Posoltega, Nicaragua, and Santa Clara, Cuba will have tables next to each other with information about the two cities. The Posoltega committee will have a table of crafts for children to make a craft representative from Nicaragua.

Inquirers

Inquirers strive to develop their natural curiosity. How can our Tigers become better inquirers? Ask them what they think about items outside, what are they seeing as you go places and what interests them and why? Inquiring allows our Tigers to take ownership of their learning and hobbies. If your student is doing inquiry with you or on their own at home have them draw a picture of their inquiry or write a small summary and have them bring it to Mr. Carver for a prize.
