TERMS AND CONDITIONS OF EMPLOYMENT

ARTICLE 1 - ASSIGNMENT AND TRANSFER

The initial assignment of staff members and their transfer to positions in the various schools and departments of the school corporation shall be made by the Superintendent or his/her designee on the basis of the following criteria which are listed in order of priority (see “a” through “e” below).

Internal promotion of staff to positions of higher responsibility and compensation shall be given high priority where qualifications of a staff member are comparable to those of outside candidates. Employees must hold a position at least 90 days in order to be eligible for an internal transfer. Where the following qualifications appear to be equal, the employee’s length of service in continuous permanent employment (seniority) shall be the deciding factor:

a. Contribution which staff member could make to the new position
b. Length of service in the MCCSC
c. Qualifications of a staff member in terms of background, experience, and competence compared to those of outside candidates both for the position to be vacated and for the position to be filled
d. Opportunity to provide for growth in skills and competence
e. Stated desire of staff member regarding assignment and transfer

1.1 Vacancies and Posting

a. All support staff vacancies will be announced by emailing and placing a notice on a staff bulletin board at each campus location.
b. Current employees will be allowed five (5) working days or seven (7) days whichever is shorter, to indicate to the Personnel Office an interest in the position.
c. The Personnel Office and the immediate supervisor will review the evaluations and credentials of those responding to the posting and will schedule interviews with those persons believed to possess the highest qualifications for the position. Recommendations, for final action by the School Board, will be made for the position by the Personnel Office with concurrence by the immediate supervisor(s), using the criteria stated in Article 1 “a” through “e”.
d. Employees who have been interviewed for a position shall be notified within ten (10) working days after the interview if they are no longer being considered for the position.

1.2 Elimination of Positions

a. Employees displaced from a position due to factors not associated with job performance or attendance shall be given preferential consideration for transfer to other positions for which the employee is qualified, as job openings occur and subject to the approval of the immediate supervisor.
b. Employees working thirty-eight (38) weeks or more per year displaced by elimination of their position for any reason shall be given reasonable notification prior to the effective date for job
elimination.

1.3 Transfers

a. Employees may be transferred upon the recommendation of the immediate supervisor, if concurred on by the principal and the personnel administrator, for the purpose of improving the efficiency of the operation.

b. Administrative Assistants and HR/Business Coordinators who voluntarily elect to move to a position with a lower classification in that family will be placed at the entry level pay rate of the pay schedule.

c. Administrative Assistants and HR/Business Coordinators who voluntarily elect to move to a position with a higher classification in that family will be placed on the entry level pay rate of the pay schedule or given a 2 ½ % increase in hourly rate, whichever will yield the higher hourly rate for the employee.

1.4 Orientation

a. The Support Staff orientation is an opportunity for employees to obtain key information concerning MCCSC policies, procedures and benefit offerings.

b. Each employee will be required to attend an orientation scheduled as part of the hiring process.

ARTICLE 2 - AFFIRMATIVE ACTION

ARTICLE 3 – PAID TIME OFF

3.1 Eligibility

a. Scheduled Hours

At the end of the 90-day PROBATIONARY period, new employees who are regularly employed a minimum of 25 hours per week for the school year (180 school days) will be granted a pro-rated amount of paid time off based on the following annual allocations:

(1) Ten (10) days sick leave
(2) Four (4) days personal business leave (PBL)
(3) Paid holidays
(4) Other applicable leave policies
i. For employees hired prior to January 1, 2012, eligibility for paid time off is based on a minimum of 17.5 scheduled weekly hours. For employees hired on or after January 1, 2012, eligibility for paid time off is based on a minimum of 25 scheduled weekly hours.

b. Initial Eligibility

New employees shall be on probation and will be classified as PROBATIONARY for a period of the first 90 calendar days (during the position’s normal work schedule) of continuous service in a benefited position during which time they do not qualify for paid time off. All policies relating to any paid time off are not applicable during the PROBATIONARY period. An employee’s eligibility for paid time off entitlements shall start at the conclusion of the first ninety (90) calendar days of PROBATIONARY period. The ninety (90) calendar days are while the employee is serving in a benefited position during the normal work schedule (does not include non-working days during Summer Break). Supervisor requests to modify the terms and conditions of the probationary period may be submitted to the Assistant Superintendent for review and consideration.

i. For employees moving from a 52 week benefited position to another 52 week benefited position, the probationary period for paid time off will be waived. For employees moving from a school year benefited position to a fifty-two (52) week benefited position, the probationary period must only be served for Vacation time.

ii. For employees moving from a non-benefited position to a benefited position, the probationary period for paid time off must be served.

iii. For employees moving from a benefited position to a non-benefited position, the time off balance will remain but in an inactive state.

The following July 1 allotment will reflect the new scheduled hours (factor hours).

3. Employees must use available paid time off before reporting off without pay. Sick time can only be used for reasons noted in Article 3.3 (4).

3.3 Sick Time

1. Employees who work more than 180 days will be granted additional sick leave beyond ten (10) days based on a pro-rated amount calculated by factoring work days times 10/180.

ARTICLE 9 - RETIREMENT BENEFITS

9.1 Definitions
a. Notification – A letter filed with the personnel office 30 days prior to retirement date.
Notification does not define “retire” or “retirement”.

9.2 Tax Sheltered Annuity (TSA)

**Tier I Matching Annuity**

a. The school corporation agrees to match employee contributions to 403(b) (TSA) programs up to a maximum of 1% of the employee’s base salary. Base salary does not include pay for summer school, ECA assignments, overtime or workshops. The school corporation’s match will be made to a 401(a) retirement account on the employee’s behalf.

b. Contributions already being made to a 403(b) program do count toward the employee’s 1%.

c. Employees are vested in the school corporation’s 401(a) match after five (5) continuous years of participation. Current employees will be vested after completing five (5) years with the MCCSC. Employees who have been with the MCCSC more than five (5) years are already vested. Vesting means the employee gets to keep the balance in the account even if no longer employed by the MCCSC.

**Tier II Matching Annuity**

a. This Tier applies to those who qualified for immediate ASL (accumulated sick leave) benefits under the respective employee agreement as of 6/30/99 (age 50 and at least five years’ experience), or who had at least ten (10) years’ experience with the school corporation and had at least 50 accumulated sick leave days as of June 30, 1999.

c. The amount of the frozen value was paid to each eligible staff member’s 401(a) Plan beginning January 2000, and ending January 2002.

d. Vesting occurs at age 50 and five (5) years of MCCSC experience.

e. Accumulation of sick leave is unaffected for sick leave purposes.

f. No further accumulation of ASL for retirement purposes.

**Tier III (Early Retirement Benefit)**

Not applicable to non-certified employees.

b. The following language applies to benefited members of the MCCSC support staff with the exception of Secretaries and HR/Business Coordinators (see the addendum for Secretaries and HR/Business Coordinators).

(Group 1) – For full time employees who as of November 1, 2001, had vested in the MCCSC 401(a) savings plan pursuant to Section 11.1 (c) (Tier 1) of the document entitled Support Staff Salary and Benefits, who retire with unreduced retirement benefits under the Public Employees Retirement Fund “Rule of 85”:

The assumed interest rate for purposes of determining the present value shall be 5%. In order to be eligible for the amounts shown, the retiree must have been enrolled in the plan or plans they wish to continue in the school year immediately preceding retirement.

This present value shall be deposited into an individual VEBA (Voluntary Employee Beneficiary Association) account in the retiring employee’s name. The deposit shall first come from the pooled VEBA (Voluntary Employee Beneficiary Association) account and if that account is exhausted, then from the School Corporation.

(Group 2) – For employees hired by the Board of School Trustees of the Monroe Community School Corporation prior to May 1, 2004, who as of November 1, 2001 had not vested in the MCCSC 401(a) Savings Plan pursuant to Section 29.1c (Tier 1) of the Agreement, the following language will apply in lieu of Section 29.4 of the Agreement:

The Board shall establish a VEBA (voluntary Employee Benefit Assistance) plan pursuant to 501(c)(9) of the Internal Revenue Code. For employees in Group 2 the school corporation shall deposit an amount equal to one half of one percent (.5%) of each employee’s base pay amount annually into an individual VEBA account on behalf of each employee. This one half of one percent (.5%) ongoing contribution will vest with an employee upon completion of five (5) years of continuous service with the School Corporation. One year of service shall be credited upon completion of one hundred twenty (120) days in a given school year. Years of service completed prior to November 1, 2005, shall be credited toward completion of the five (5) year vesting period. The Board shall establish a VEBA (voluntary Employee Benefit Assistance) plan pursuant to 501(c) (9) of the Internal Revenue Code. For employees in Group 3 the school corporation shall deposit an amount equal to one half of one percent (.5%) of each employee’s base pay amount annually into an individual VEBA account on behalf of each employee. This one half of one percent (.5%) ongoing contribution will vest with an employee upon completion of five (5) years of continuous service with the School Corporation. One year of service shall be credited upon completion of one hundred twenty (120) days in a given school year. Years of service completed prior to November 1, 2005, shall be credited toward completion of the five (5) year vesting period. In addition to this ongoing contribution, the school corporation shall deposit a one-time lump sum payment of two hundred dollars ($200.00) into an individual VEBA account on behalf of each employee.

6. Secretarial Sick Bank –

a. A sick leave bank shall be established to relieve members of the secretarial/clerical staff from undue financial burdens due to absence from work because of illness, injury, or incapacitation sufficiently severe that it would make their presence in school inadvisable. The purpose of the bank is not to provide compensation for extended disabilities. Guidelines for administration of the Sick Leave Bank shall be incorporated in the administrative guidelines.

b. The sick leave bank will be established for the voluntary participation of all secretarial/clerical personnel of the Monroe County Community School Corporation.

c. Membership in the bank program will be open to all secretarial/clerical personnel. A member will be defined as an Administrative Assistant who has made a contribution of one day sick leave to the bank at the appropriate time of enrollment.
d. Each participant must donate one (1) of his or her sick leave days per year to the bank for a total of four (4) years. This one (1) sick day per year is to be deducted from each volunteer’s yearly sick days provided by the school corporation. Sick leave days donated to the bank are considered a permanent contribution. Members may be asked to contribute an additional day when the sick leave bank falls below fifty (50) days.

e. Secretarial/clerical personnel using sick bank days must pay back two (2) days per year from their annual allotted sick days until fifty percent (50%) of the days granted through the Sick Leave Bank Committee have been paid back.

f. If employee uses sick bank then resigns his/her position before days are paid back, fifty percent (50%) of the used days may be deducted from remaining paycheck(s).

g. Only new employees shall be permitted to join the bank. Forms for enrollment will be distributed to new secretarial/clerical employees at the time of employment. New employees will have a period of seven (7) weeks to join subsequent to their first day of service. Staff conditions as a new employee. If returning staff member was previously a member of Sick Bank, his/her years of service in the Sick Bank will reflect that membership.

h. The Personnel Office will maintain a record of the total number of days in the bank based on these voluntary contributions. Subsequent deductions will be made on the employee’s anniversary date.

i. Any participating member who has exhausted his or her accumulated sick leave and personal business, and vacation days, and who has also used three (3) uncompensated sick leave days will be eligible to apply to the Sick Leave Bank committee. The number of days granted to any member during any school year will be limited as follows:

Applications will be made in writing to the Committee and will be accompanied by a physician's statement describing the nature of the disability. Application for a grant may be made by a personal representative of the applicant in cases where the individual participant is unable to do so. Any persons with unusual circumstances not accounted for above may be allowed sick leave bank benefits on an individual basis with the approval of the Sick Leave Bank Committee.

j. Upon notification from the Sick Leave Bank Committee, the Personnel Office will charge deductions to the sick leave bank.
k. The sick leave bank will be administered by a committee of six (6) participants who will be appointed for two (2) year staggered terms. Secretarial representatives will be elected by the secretarial group. Administration representatives will be appointed by the Superintendent. The secretarial group will elect four (4) committee members and the Superintendent will appoint two (2) committee members. The initial appointments will be made as follows: Two (2) secretarial committee members will serve one (1) year terms and two (2) will serve two (2) terms. One (1) administration representative will serve a one (1) year term. The purpose of this appointment strategy is to ensure continuity of the committee’s membership.

l. The entire membership of the committee will select one of the members to act as chairperson for the duration of each year. The committee will meet during the school year as needed with special meetings called by the chairperson or at the request of individual committee members. A majority of the committee membership will be required for any official action of the committee.

m. The Sick Leave Bank Committee may grant, deny, or alter the number of days requested by an applicant. Grants may be suspended as deemed appropriate by the Sick Leave Bank Committee. Grants may be retroactive or may be made in advance.

n. The Sick Leave Bank Committee may ask the applicant to be examined by a physician, specialist, or psychiatrist designated by the committee before granting such leave and at any time during the leave at the expense of the applicant.
