Families, get access to thousands of free e-books!

1. Go to https://www.myon.com/school/hoosier/
2. Enter the School Name: Hoosier Family of Readers (The School Name will automatically populate as you type)
4. Click the green Sign In button.

The MCCSC Office of High Ability Education has begun the middle school ALPS identification/application process for 2016-17 incoming seventh grade students. Any current sixth grade student may apply for the program. Application materials are due to the Office of High Ability Education on Friday, January 29, 2016. If you have questions about the identification/application process for the program, a Parent Information Meeting will be held on Wednesday, January 20 from 6:30-7:30 P.M. in the Tri North Middle School auditorium. You may also contact your child’s teacher, your principal, or Kimberly Williams, Coordinator of High Ability Education, at the MCCSC Administration Center at 812-330-7700 or kwilliam@mccsc.edu. Information about the program may also be found on the MCCSC website at www.mccsc.edu.

A Message From the Principal ~ There have been quite a few articles published recently in the local paper and across the state about ISTEP scores. The scores for corporations and schools were released this past week. Statewide there was over a 20% dip in overall ELA and Math passing rate scores. Although there were many issues with the assessments such as new standards, new test, technology glitches, two different forms of test which awarded some students more/less points, etc., please know that we are working hard every day to ensure success for your child. We anticipate that individual scores and the breakdown of those scores should be arriving in the near future. These will be mailed to you once we receive them.

Dates to Remember

Jan
4
-School Resumes
18
-Martin Luther King Jr. Day NO SCHOOL
26
-Family Fitness Night 6:30-7:30 pm in Gymnasium

Feb
1
