

Skyward Family Access Mobile App Setup Instructions

1. Go to App Store, Download Skyward App

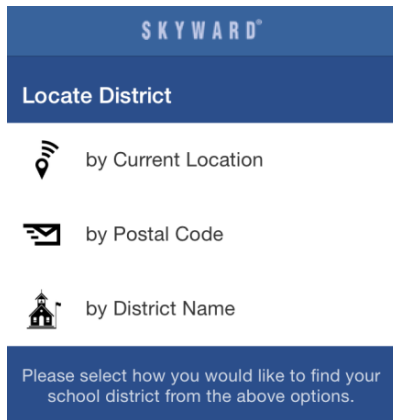

Skyward Mobile
Access

Skyward, Inc

★★★★☆ (123)

2. Choose school district using any one of these three options:

Current Location

This option will only be available to use if you have your "Location Services"* turn on in your phone settings. You will want to choose "MONROE CO CMTY SCHOOL CORP" from the results.

** Please consult with your carrier or review your phone's manual if you are unable to locate these settings on your phone.*

Postal Code

This option can be used by entering in "47401" as the postal code and then select "MONROE CO CMTY SCHOOL CORP" from the results.

District Name

3. Select, Monroe County Community School Corportion

MONROE CO CMTY SCHOOL C...
Bloomington, IN

4. Enter Login Credentials, as the parent you enter in your Family Access Login and Password, DO NOT LOGIN as the student. If you have logged on as the student, you will need to remove app(delete it) and re-download and login as parent.

5. Create a PIN, you select your own PIN, you need to remember this PIN. MCCSC is not responsible for the PINs that parents create. If you forget your PIN, you will need to remove app, and redownload and go through the setup process again.

6. Click on the Mobile login,
7. Login and you should see all of your children, tied to Family Access.
