The Monroe County Community School Corporation is happy to announce the implementation of an on online service, Family Access. This new service will allow you to view your child's or children's attendance, grades (where available), food service balance, schedule, immunization record and standard address, phone number and other demographic information. It is totally secure and is easy to use.

In order for you to begin using this service you will need to obtain a User ID and password. To receive the User ID and password, we are requesting that you print, complete this form and take it to your student's school. This form will be kept on file as authorization for the district to provide you with a password.

We are very excited about this new education tool.
