**THINK SKILL OF THE WEEK – “Staying on Task”**  
Ask your children if they know the steps:

- 1) Look at your task or assignment. (Don't put it away for "later," don't sit there grumbling about why you have to do it.)
- 2) Think about the steps needed to complete the task. (What materials do you need? What information do you need? When is it due? How long do I have to complete it?)
- 3) Focus all of your attention on the task. (Keep your eyes on your own work, don't work on other assignments or talk to friends.)
- 4) Stop working only when instructed. (Follow the teacher's instructions and keep going.)
- 5) Ignore all distractions and interruptions from others. (Don't interrupt or be a distraction to others.)

## THINK TICKET WINNERS!

Congratulations to this week's "Think Ticket" Winners who have displayed

outstanding care, responsibility, respect, safety or their personal best.

## FACULTY PROFILE – KESSLER MCGARRY

Ms. McGarry is excited to be teaching Kindergarten at Fairview this year! She was born and raised here in Bloomington and graduated from Indiana University in 2019. She loves to travel and explore new places. She even spent 10 weeks living and teaching in Ireland before graduating college! When not teaching, she loves to cook, bake and spend time with her kitten, Fiver. Ms. McGarry is so grateful to be a part of the Fairview community and is looking forward to an awesome year!

## SCHOOL FUN FACTS

A standard pencil has enough graphite to write roughly 45,000 words or draw a line 35 miles long. Before the invention of erasers, breadcrumbs were used to erase mistakes.

### School Opening Plans – September 8, 2020

#### What Will It Look Like?

##### Entrance:

Students who arrive late and parents who need to bring something important to the school need to use the main entrance of the school (door #1) on 7th Street. Per MCCSC protocol, parents and visitors will not be

permitted access into the building. All entrances utilized will have sanitizing mats for students and staff to wipe their shoes when they enter the building.

##### Main Office:

Office personnel will follow the same protocol as the rest of the students and staff. They will practice appropriate social distancing and wear facial coverings. The number of students and staff passing through the office will be minimized so they are there only for essential purposes. While visitors will not be permitted to enter the building per MCCSC policy, school administrators and other office personnel may be reached by telephone or email. Arrangements can be made to have meetings by telephone with multiple staff members or even via the computer if video communication is necessary.

##### Facial Coverings:

Masks are required for students and staff throughout the school day. Facial Coverings may only be removed under the following conditions:

1. During breakfast/lunch, if students are social distanced of six (6) feet or more
2. During outdoor recess, if socially distanced of six (6) feet or more
3. During a maximum of 3-5 minute break, if socially distanced of six (6) or more feet, with all desks facing the same direction.

***THE COMPLETE LIST OF DETAILED OPENING PLANS CAN BE FOUND ON THE MCCSC WEBSITE! ([mccsc.edu](http://mccsc.edu))***
