MASKS HELP KEEP US SAFE!

August is Family Fun Month! Take part in our photo display. Have your child bring in a photo from their summer fun or e-mail it to plundin@mccsc.edu

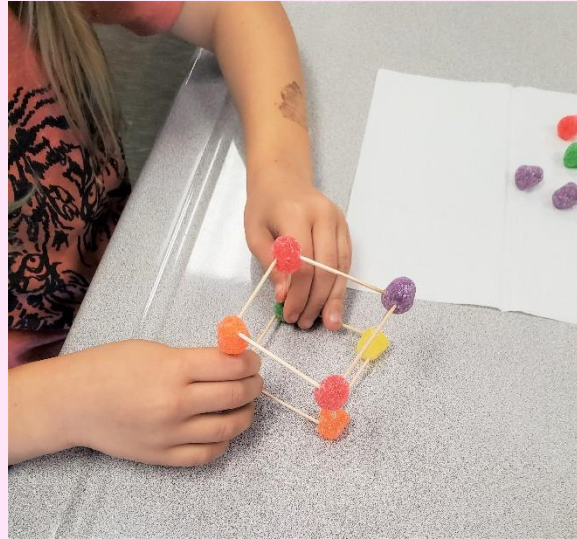

Our health and social worker's office is in need of children's shoes, sweatpants and leggings. New or gently used items would be gratefully accepted!

FUN FACT

Aardvark is the first word in the English dictionary. Aardvarks are digitigrades, meaning they walk on their toes, and not on the soles of their feet. They can eat 50,000 to 60,000 ants and termites in one night.

Ms. Babcock's 2nd Grade Students learned about 2D and 3D shapes and what it means to be an architect. After gaining this knowledge, they then created shapes with gumdrops and toothpicks.

Due to our many stairs and to prevent injuries, flip-flops, slides and backless shoes may not be worn. Tennis shoes are always the best option!
