3rd - Tiona Smith and Autumn Bridges

4th - Vanceletta Kiger and Jesse Savoldi

5th - Samiya Love and Armoneigh Smith

6th - Zach Walls and Arlo Medsker

## From Our Administrators Desk

At the School Board Meeting on Tuesday night, many changes were made regarding our district's COVID protocols. Our superintendent, Dr. Hauswald, sent an email to families following the Board Meeting. We encourage you all to read that email and to reach out to us if you have any questions regarding the changes. Below is a summary of some key points from the letter.

-Those who test positive for COVID-19 will be allowed to return to school after isolating for five days if they receive a negative lab antigen test and their symptoms are resolved or resolving.

-Our contact tracers will prioritize the highest risk cases for notification.

-An unvaccinated individual who is notified that they have been identified as a close contact will be required to quarantine, but may return to school after five days if they have no symptoms and can provide the results of a negative lab antigen test or a negative home antigen test.

-For many single symptoms, students will be allowed to return the next day without testing.

Please continue to monitor your child's symptoms and report any information to the school and the Call Center (812-349-4757; callcenter@mccsc.edu). Our main priority continues to be keeping all students and staff safe. We appreciate your help in making this possible.

Thank you!

Mr. Gobert and Mrs. Pearson

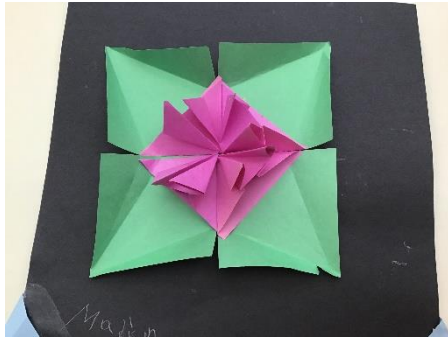

## FACULTY PROFILE – MEGAN MALOY SHEPLEY

My name is Megan Maloy Shepley, your new school psychologist. I'm a graduate of Bloomington South High School and attended IU for both my undergraduate and doctoral program. After graduating, I moved to Colorado where I was a school psychologist for the past 5 years. My husband, Brett, and I decided it was time to relocate back to Indiana to be closer to family and made the move over the summer. We have two children. Our son Banks is 3 years old and our daughter Collins (Collie) is 4 months old. I'm excited to be part of the Fairview Elementary team and get to know the students, families, and staff.

# DR. REYNOLDS' ARTIST'S CORNER

Ms. Shafer led the 3rd in creating radial relief sculptures. Reanna Sanmiguel, Trevantae Holmes, Madison McLain.

## THINK SKILL OF THE WEEK!

**"Expressing Empathy"**  
Ask your children if they know the steps:

- 1) Listen closely as the other person shares his or her feelings
- 2) Use a genuine voice
- 3) Express empathy by saying, "I understand..."
- 4) Offer to help if needed

## FUN FACT

Not only Knights wore armor. Their horses did also! Horse armor was known as "barding", and was used extensively during 14th and 15th century in Europe. "Barding" consisted of a helmet, neck protector, breastplate, and armored panels that sat on either side of the horse.

## IMPORTANT! COVID INFORMATION!

The MCCSC Covid Contract Tracing Department asks for your patience as they manage an increase in volume. Here are some critical reminders about the covid protocols:

The Call Center number is 812-349-4757.

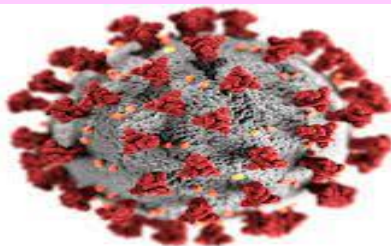

E-mail is preferred as follows:

For positive cases: **Contact\_Tracing@mccsc.edu**

For close contact/exposure: **Close\_contact@mccsc.edu**

When emailing either of these accounts, please include student's name and parent telephone number along with any pertinent information. Your notifications either by phone or e-mail will be put into a queue to be answered by a contract tracer. When calling the contact tracing offices, please be sure to leave a voicemail if unable to reach a live person.

**Do not send a close contact, exposed or positive test student to school until cleared by contact tracers!**

**"Here Comes the Bus"** is an easy-to-use

website and mobile device app that enables parents and caregivers to view the real-time location of their child's school bus on a computer, tablet or smartphone. In addition, email alerts and push notifications help parents send their students to the bus stop at just the right time. This application can be viewed on any smart phone (Apple iPhone, Samsung Galaxy, etc.) Get started by using [herecomesthebus.com](http://herecomesthebus.com) and School Code 82359.

\*Note: Student ID is the alpha key found in your Skyward account. (Example: ABCDEFGH000 (8 letters followed by 3 digits)). There are also options by which parents can reach the transportation office with busing questions and concerns. Parents may call the transportation call center at 812-330-7719. There is now a dedicated e-mail address – [bushelp@mccsc.edu](mailto:bushelp@mccsc.edu). Parents may also use the Tip Line Button on the MCCSC website or the mobile app by selecting the "transportation" category. **Every day, we have multiple students who are late and miss important class time due to not catching the bus. This app is a great tool to make sure students are able to maximize their day by not missing the bus!**
