## From Our Administrators Desk

Dear Parents/Guardians:

Thank you for a successful 3<sup>rd</sup> quarter of school! It is hard to believe that we only have one quarter of school left for the year. Please remember that we will be off the week of March 14<sup>th</sup> for Spring Break. As we return to school from Spring Break, we are asking for your help in reminding your children of our bus procedures. We know that not all students ride the bus, but these are some important reminders for those who do.

1. Students need to wait on the sidewalk or in the driveway until the bus comes to a complete stop.
2. Students should remain seated the entire bus ride to and from school - on their bottoms and facing forward.
3. Students should always use appropriate language and keep a voice level 1 while riding the bus.
4. Students should always keep their hands, feet, and body to self.
5. Students should take all belongings with them as they exit the bus.

These rules help keep all students safe while riding the bus and allow the bus driver to do their job effectively. Failure to follow these rules on a consistent basis will result in removal from the bus. Thank you for your help with this important area!

Masks are now optional for students in the school building and on school buses. Visit the MCCSC Website for a listing of all of the new policies regarding masks and covid reporting protocols.

Please call the office (812-330-7732) **before 2:00pm** when you need to change your child's end-of-day transportation plans. Please call the office **even if** you have sent a note, e-mailed, or texted the teacher or a staff member. Late change requests may not be able to be facilitated. Thanks for your help with this!

## FUN FACT

Snow Leopards are native to the Himalayan Mountain range. They cannot roar like all other big cats do - they only make a loud meow like-call that can be heard from over a mile away.
