THINK SKILL OF THE WEEK!

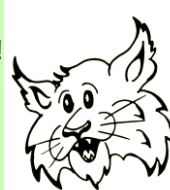

“Expressing Optimism”

Ask your children if they know the steps:

- 1) Look at the person
- 2) Use an enthusiastic voice tone
- 3) Make a positive statement about the situation or activity
- 4) Thank the person for listening

From Our Administrators Desk

We hope you all had a wonderful Spring Break and were able to enjoy some relaxation and time with family! These next two months of school are going to go by extremely fast.

As a reminder, we are not allowing for any treats to be brought in for birthday celebrations. This includes any and all store-bought items, individually sealed items, and homemade items. We appreciate your support and understanding with this.

Mr. Gobert and Mrs. Pearson

THINK TICKET WINNERS!

Congratulations to our “Think Ticket” Winners who have displayed outstanding care, safety, respect, responsibility, or their personal best.

- K-Roscoe Stone & Dayne Scales
1-Tionna Fair & Tamarria Dowdell
2-Serentiy Young & Mia Guinn
3- Who will step up next week?
4- Austin White-Meyer & Brian Kincade
5- who will step up next week?
6- Keigan Scherschel & Kylie Torres

Congratulations to our Kids Compose finalists: Kenzie Kenworthy, Amiyah Taylor, and Kylie Torres! We are also happy to announce that Tressa Martinie-Eiler was chosen as one of the Kids Compose winners. She will have her original melody arranged for a Jacobs ensemble to be performed and recorded this spring. Fairview 4th-6th graders composed original melodies and over 30 of our students entered the Bloomington-area competition. So proud of our students!

FACULTY PROFILE – HALEY BROWN

Ms. Brown is currently the 5th / 6th grade inclusion teacher and is finishing up her senior year at Indiana University, where she is graduating with a degree in both Elementary Education and Special Education. She recently finished her student teaching here at Fairview where she worked with Ms. Stolz in the fall and Ms. Klein this spring. She is originally from Greensburg, IN which is only few hours away from Bloomington! She loves to spend her weekends hiking and visiting her friends, family members, and her dogs! One thing she has loved about her time at Fairview has been getting to work with every grade and almost every student in the school through student teaching and substitute teaching. She is very excited to be starting her first professional position here at Fairview and looks forward to growing with her students the rest of this year! Go Wildcats!

DR. REYNOLDS' ARTIST'S CORNER

Two of our 6th Graders created two masterpieces this week!

Parents are to accompany all tardy students into the front lobby. Students arriving after 9:00am are considered late and must enter through The main 7th Street entrance. An adult is to ring the doorbell and follow the directions provided.

FUN FACT

Raisins were commercialized in the U.S. in California in 1873. A freak hot, dry spell caused grapes to wither on the vine. An enterprising grocer in San Francisco advertised them as "Peruvian Delicacies". It takes four tons of grapes to produce one ton of raisins. 500 million pounds of raisins are produced each year and over half of them come from California.
