**MARK YOUR CALENDARS!**

~ November 3rd – Tuesday - Election Day – No School
~ November 23rd – 27th – Monday - Friday - Thanksgiving Break – No School

**THINK SKILL OF THE WEEK**

“ACCEPTING COMPLIMENTS”

Ask your children if they know the steps:
1) Look at the person
2) Use a pleasant voice
3) Say “Thank you”

**FAIRVIEW GARDEN UPDATE**

Our Fairview Garden was put to bed! We filled the beds with compost soil, planted cover crop seeds and covered the beds with straw. Strawberries and flowers were also planted for the spring!

**FACTORIY PROFILE - JESSICA LEWIS-KARON**

Ms. Lewis-Karon is Fairview’s new Think Room Supervisor. Her favorite thing to do is travel. Her weakness is math. She was born in Texas and then moved to Florida at age 13. She moved here to Indiana just shy of 4 years ago. She went to college in Florida for psychology with a minor in American sign language. Her career has been a mixture of working in the psychology field or in a school setting. She believes that you shouldn’t set limits on bettering yourself? If you can improve yourself just 1% everyday. That means in a year you can improve 365%. She is always willing to help. Welcome to Fairview, Ms. Lewis-Karon.
SCHOOL FUN FACT
A school in the Philippines is made entirely of recycled plastic bottles. It took about 9,000 bottles and dozens of volunteers to build the structure. Each bottle was filled with sand, water and straw to keep them sturdy. Then, a cement-like substance was used to hold the bottles in place as they were stacked on top of each other to create walls.

Mrs. Shine’s 2nd grade class celebrated Autumn by painting pumpkins.

CHANGES TO END-OF-DAY AND TRANSPORTATION PLANS
When there is a need to change your child’s transportation home plans, place a call to the school office no later than 2:00pm. Calls must be made by 2:00pm in order to allow time for all parties involved to be notified in time to make the change. Do not rely on texts or e-mails to the teacher as they may be unavailable or there may be a substitute teacher. Also, due to Covid-19 precautions, students may not be randomly added to buses due to capacity requirements (i.e. Annabelle is spending the night with cousin Elizabeth).

It is important that students arrive no later than 9:00am every school day. Students arriving after 9:00am are considered tardy. Tardy students must be accompanied by an adult into the building and are to enter through Door #1 – the main entrance on 7th Street. The adult is to ring the doorbell in the foyer and follow the directions provided.

The Banneker Community center and its Advisory Council have been working with City of Bloomington departments on an exciting project related to the social and racial justice movements. It is culminating in a Black Lives Matter street mural being painted on Elm Street in front of the Banneker Community Center on Saturday, October 24th from 12noon to 6:00pm. Three local Black artists have developed the design of the mural and are having community members register to volunteer and paint alongside the artists. Please contact Banneker at (812)-349-3734 to volunteer or to request additional information.
