~ October 15th & 16th – Thursday & Friday - Fall Break – No School
~ November 3rd – Tuesday - Election Day – No School

“Tech Corner”
When you receive the "Whoops! Something went wrong on our end" error message in Canvas, you can fix it with the following steps:
Go to your settings app
Scroll down on the left and click on the Canvas Student app
It will pull up a menu to the right. Turn on "reset cache on the next launch."
Then, close the app by double clicking home and swiping up on the app. Re-open Canvas and log in again. This should fix most problems in Canvas!

THINK SKILL OF THE WEEK
“Controlling Emotions”
Ask your children if they know the steps:
1) Learn what things make you feel angry or upset.
2) Pay attention to how you feel when something difficult or unexpected happens.
3) Use a calm down strategy when you notice you feel angry or upset.
4) Use words to describe your feelings so you can talk calmly to others.
5) Praise yourself for remaining calm.

THINK TICKET WINNERS!
Congratulations to this week’s “Think Ticket” Winners who have displayed outstanding care, responsibility, respect, safety or their personal best.

FACULTY PROFILE – JESSIE GRUBB
Ms. Grubb is a new Preventionist here at Fairview. This is not her first time at Fairview as she was a student here in 2010. Ms. Grubb is assisting the 2nd grade teachers this school year. In her free time, she enjoys ceramics and playing with her two miniature poodles! Welcome back to Fairview, Ms. Grubb!
FAIRVIEW FACULTY AND STAFF ENJOYED THEIR GIFT OF A WILDCAT PACK FROM THE PTO!
MANY THANKS, PTO!

SCHOOL FUN FACT
In Russia, children always start school on ‘Knowledge Day’ (September 1st) even if it’s a weekend or a holiday. The morning usually starts with a school assembly during which 11th-graders take the first-graders by the hand and lead them into the school while ringing a ceremonial bell.

CHANGES IN TRANSPORTATION & END-OF-DAY PLANS
When there is a need to change your child’s transportation home plans, place a call to the school office no later than 2:00pm. Calls must be made by 2:00pm in order to allow time for all parties involved to be notified in time to make the change. Do not rely on texts or e-mails to the teacher as they may be unavailable or there may be a substitute teacher. Also, due to Covid-19 precautions, students may not be randomly added to buses due to capacity requirements (i.e. Joshua is spending the night with cousin Elijah).

PLEASE USE A PERMANENT MARKER TO LABEL YOUR CHILD’S BELONGINGS (i.e. backpacks, sweaters, jackets, lunch boxes, etc.) SO, WHEN MISPLACED, THE ITEMS CAN BE PROMPTLY RETURNED.
